

Doncaster and Bassetlaw Hospitals NHS Foundation Trust

Registration with the Care Quality Commission

All NHS providers must now be registered with the Care Quality Commission in order to provide services. This came into effect on 1st April 2010. Under this new system of regulation Doncaster and Bassetlaw Hospitals NHS Foundation Trust has been registered without conditions to provide the regulated activities listed at the following locations:

Bassetlaw District General Hospital

- Treatment of disease, disorder or injury
- Surgical procedures
- Diagnostic and screening procedures
- Maternity and midwifery services
- Termination of pregnancies
- Family planning

Doncaster Royal Infirmary

- Treatment of disease, disorder or injury
- Surgical procedures
- Diagnostic and screening procedures
- Maternity and midwifery services
- Termination of pregnancies
- Family planning

Montagu Hospital, Mexborough

- Treatment of disease, disorder or injury
- Surgical procedures
- Diagnostic and screening procedures
- Maternity and midwifery services
- Family planning

Retford Hospital

- Treatment of disease, disorder or injury
- Diagnostic and screening procedures
- Maternity and midwifery services
- Family planning

Tickhill Road Hospital

- Accommodation for persons who require nursing or personal care
- Treatment of disease, disorder or injury
