

Doncaster & Bassetlaw Maternity Voices

Working in partnership to improve maternity services

Doncaster and Bassetlaw Teaching Hospitals
NHS Foundation Trust

We are looking for local parents (old, new and expectant) to join a Maternity Voices Group to help shape maternity services in Doncaster and Bassetlaw Teaching Hospitals.

The group is your chance to get involved, give your feedback and help to create a maternity service which is based on your experience, your feedback and your needs.

The group will be led by you and your family, but will have input from midwives, clinical leads and commissioners, who all work together to make positive changes for pregnant women and their families.
