Re: Your request made under the Freedom of Information Act 2000

1) Number of fax machines currently in use

164

2) Number of faxes sent by the Trust in July 2019

20,769

3) Number of faxes received by the Trust in July 2019

9,183

4) Details of plans to decommission use of fax machines in line with national deadline.

The Trust is incrementally decommissioning fax machines and transferring services, where appropriate to NHS mail. Faxes will no longer be sent or received between the Trust and GP practices from April 2020.
