Re: Your request made under the Freedom of Information Act 2000

I am writing to request, under the Freedom of Information Act, the number of people who died while waiting for elective care at your trust in 2021.

We don't record on CaMIS when a patient is removed from a waiting list due to death so we can't answer this question. Also we wouldn't be able to state whether the patient has passed away due to the reason they were on the waiting list
